ABOUT US

Xiamen Top Best Tech Co., Ltd belongs to Guanhua Group, established in 2011. It is a company integrating the design, development, manufacturing, sales, and service of mounting accessories and brackets with professionals engaged in solar energy mounting R&D production and sales with 1,600 m² in Xiamen Fujian. After years of development, it has become a manufacturer of solar mounting components and accessories.

In 2019, a foreign trade team was established, and our company mainly provides aluminum, steel & copper solar mounting components for pv power plants. Our products cover small distributed rooftop power plants, medium-sized commercial pv power plants, large ground energy station fields, and various photovoltaic system installation accessories.

SPC Solar has been one of the market leaders in solar mounting structures. After years of accumulation, the company has taken R&D and innovation as the driving force, continuously promoted product upgrades, and built a strong manufacturing capability and a complete industrial chain system; we have gathered extensive customer resources at home and abroad.

In China, our Guanhua Group works closely with companies such as CHINT, SKYWORTH, Jinko, Risen, Midea, Hua Xia Bank, Haier, and LONGI; overseas, our SPC Solar customers are all over the world, including Japan, Singapore, the Philippines, Indonesia, Malaysia, Africa, the Middle East, Europe, and America.

The company currently has more than 500 employees. It fully implements CE, ISO9001, ISO4001, and ISO45001 and has a 28,000-square-meter manufacturing workshop and 6 factories. A group of strong teams focus on photovoltaic design and research and development.

SPC has focused on the solar mounting component manufacturing industry for more than 10 years. SPC Solar is committed to serving customers all over the world, so that sunshine brings more green energy to everyone.
